15TH
YEAR

HARVEYAN

MORRIS HARVEY COLLEGE

Charleston, West Virginia

FOREWORD

In order to commemorate the 75th anniversary of Morris Harvey, we, the editors of the HARVEYAN, have tried to show a little of campus life—past, present, and future.

This book is also in honor of our graduating seniors who we hope leave with fond memories of their years at Morris Harvey.

It is our wish that all the underclassmen will have this book for memories of the past year—its joys and its sorrows.

MR. CHARLES C. MANTLE
Associate Professor of Economics

For fourteen years Professor Charles C. Mantle was a devoted member of the faculty at Morris Harvey College. During these years, he rendered valuable service not only as an effective and inspiring teacher but as a person devoted to his subject and to his students. He encouraged his students to read widely in his field and to continue on into graduate school. He readily volunteered to teach in several extension centers away from the campus, thus serving those who could not attend campus classes and serving them so effectively that he was always making friends and encouraging continued study.

For the last few years he was plagued with an illness; an illness which would have caused a man of less determination and of less desire to quit entirely. But teaching was his life and to this task he gave the last full measure of devotion. Twenty-four hours after teaching his last class, he went to the hospital where he remained until death released him from the aches and pains of which the human flesh is heir.

Through his last years his courage, his faith, and his devotion endeared him to students and faculty alike. In the Father's mercy may he find peace and everlasting life.

The College moved to Charleston in 1935 and from then until 1947 classes were held in the Kanawha County Public Library, Y.M.C.A., Y.W.C.A., St. Mark's Methodist Church, and the Mercer Building.

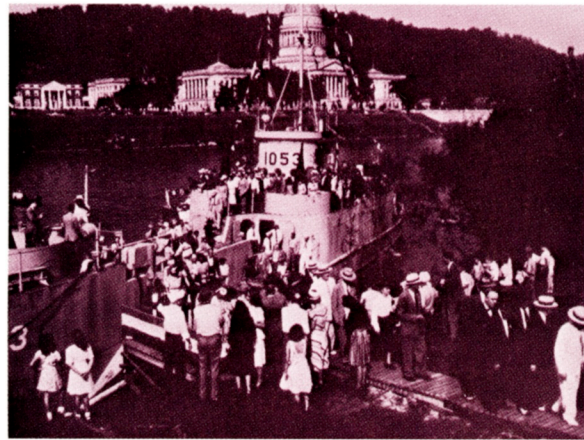

In 1947 the College moved its headquarters from the public library to the south bank of the Kanawha River, opposite the State Capitol. Here the College occupied temporary quarters until the present modern Main Hall was constructed in 1951. The west wing was added in 1958. Four residence halls were constructed from 1955-62 housing 450 students on campus.

Comprehensive plans have been developed for the future growth and expansion of the College. They include a College Center, gymnasium expansion, library improvement, outdoor physical education facilities, and other items of campus beautification. Pages 8 and 9 show a full color architectural drawing of the 75th Anniversary Development Program.

Who's Who Among Students in American Universities and Colleges is an annual publication in which the scholastic biographies of those students who have been recognized as leaders on the campus, both academically and scholastically, appear. It is the highest honor a student on the campus can achieve.

The students recognized in this publication each year are nominated from approximately 700 colleges and universities. Campus nominating committees are instructed to consider in making their selection: the student's scholarship; his participation and leadership in academic and extracurricular activities; his citizenship and service to the school; his promise of future usefulness. These nominations are sent to the national organization for acceptance. This honor is awarded during the junior or senior year.

Missing from the above picture are Richard Hughes and Thornton Ridinger.

The 1963 HARVEYAN attempts to gain the spirit of the college, its administration, faculty, and students, as it now appears as well as it has manifested itself in the past 75 years.

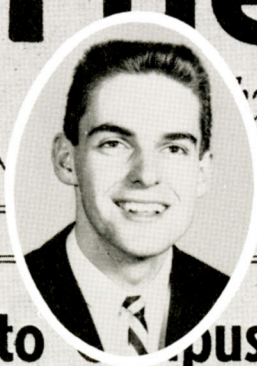

This 75th Anniversary edition has been enlarged by sixteen pages and nearly 250 individual photographs. In this capacity, the HARVEYAN hopes that it has captured all facets of student life.

In her sophomore year, Dotty Templeton took over the reins of editor last fall and has worked with her staff and advisor, Mrs. Jo Lambert Blackwood, through the past months of picture-taking and copy-writing to present to the students and the college, this, the 1963 HARVEYAN.

COMET staff at
Barboursville College

Now in its forty-first year, THE COMET weekly publishes student news, features, and opinions.

THE COMET has three major purposes. First is the duty to print all of the news in an unbiased manner. Secondly is the duty to be a guardian of the student welfare. Thirdly is service to the college. The creed is editorial integrity.

Roger Morris, a sophomore, is editor-in-chief of THE COMET and Jim Cottrell is assistant editor and business manager, his third year at this position. Oscar Banks is faculty advisor and William Briggs is chairman of THE COMET board. A hard-working corp of writers, cartoonists, and photographers are the newspaper's backbone.

Mr. Banks, Sherry Stricker, and Roger Morris relax after putting out another COMET.

Reorganized in 1949, the George S. Laidly chapter of the Student National Education Association is open to all students who are receiving basic preparation for their initial teaching responsibilities.

The Student NEA attempts to provide opportunities for the development of leadership skills; opportunities for personal and professional growth, and opportunities for participation in professional activities at local, state, and national levels.

At the Morris Harvey weekly SNEA meetings, the organization strives to keep each member informed of the present trends and opportunities throughout the nation in the field of education.

YOUNG REPUBLICANS CLUB

The Young Republicans organization was reactivated during the past year. Its purpose is to promote Republican principles and policies and a general interest in politics. During the November election members of the Club distributed campaign literature in the community. For the spring semester the Club planned speakers for meetings and school assemblies, made Republican materials available to students and aided the local Republican Party.

Officers for the second semester were chosen in December: Paul Demitrow, president; JoAnn Holinger, vice president; Camelia Zakaib, secretary; Linda Pasconne, treasurer; Thornton Ridinger, sgt.-at-arms.

YOUNG DEMOCRATS CLUB

The Young Democrats Club is the spokesman for the Democrat students on the Morris Harvey campus and seeks to make known the platform and ideals of the Democrat party to all students.

Each year, the Young Democrats brings speakers to the College and invites all students to hear their talks and lectures. The Club regularly takes active parts in local campaigns and urges its members to gain experience through practical politics. As an affiliate of the state organization, they meet each summer in a convention to elect state officers and formulate policy.

Georgianna McCollum is the Young Democrats' President this year. Other officers are Bill Feazelle and Gloria Fitzgerald.

Last fall, Congressman John Slack, Jr., appeared on campus under the sponsorship of the Young Democrats Club.

STUDENT GOVERNMENT ASSOCIATION

Tom Kinder
President

The Student Government Association, commonly referred to as the S.G.A., is the voice of the student body of Morris Harvey. All students of Morris Harvey are members of the S.G.A. and the Association's officers are elected from the student body.

Serving as the executive organ of the S.G.A. is the Student Council. It consists of officers of the Association, class presidents and representatives. Officers for 1962-63 are: Tom Kinder, president; Larry Smith, vice president; Don Flanagan, treasurer; Jeanie McCoy, secretary; and Paul Ewing, sergeant-at-arms. Mrs. Evelyn Harris is the faculty advisor.

The Student Council's four permanent committees — activity, publicity, judiciary, awards and achievements — are concerned with the social, civic, and intellectual aspects of student life.

Activities of the Student Council include a wide variety of programs and projects: Freshman Orientation, All-School Picnic, May Day Festival, student dances and mixes, and other projects as publishing the Student Handbook and the Student Directory.

Student Councils have led Morris Harvey students through the years of progress.

Tom Kinder, S.G.A. president, presents Student Council pledge of help to John E. Gum, controller of Centennial Commission in charge of distribution of badges. Don Flanagan, Larry Smith, and Carlos Hurst assisted in the sale of badges to Morris Harvey students.

The Lambda Delta cast of Alpha Psi Omega, national dramatics honorary, was organized on the Morris Harvey campus to recognize those students who are outstanding in the field of drama. Membership is earned by participation in Blackfriars productions. Each spring a formal initiation and dinner are held in honor of the new members.

At the annual Awards Assembly, Alpha Psi Omega names the best actress, best actor, and best technical worker of the year. The names are then inscribed on a plaque which is mounted outside the Wehrle B. Geary Auditorium. Last year Glendora Davis, John Fairless, and Jim Harper received the awards.

Each member of Blackfriars strives to obtain the honored membership of Alpha Psi Omega.

BLACKFRIARS

Morris Harvey College began with a rule which read: "No drama will be represented from the stage of this college; only oratories, music, recitations, sermons, lectures, etc., can be allowed."

But Blackfriars could not be denied, so in 1921 the organization began presenting original dramas and other plays. The group worked hard to remodel the auditorium with new curtains, scenery, lights, and from time to time much other needed equipment. The group found no available support for theatrical arts so they were forced into inactivity. Despite this the group grew and flourished through hardship and depression until the permanent building was opened on the banks of the Kanawha River.

Students who work in Blackfriars are the active students on campus and come from all fields of interest. These people strive to give to the student body plays of comedy, tragedy, mystery, and love.

The Morris Harvey theatrical season for 1962-1963 included the following schedule: October 12, 1962, "Desperate Desmond's Dastardly Deed"; November 16 and 17, "Sabrina Fair"; March 29 and 30, "Is Your Honeymoon Really Necessary?"; April 26, 1963, Original Drama; May 14, 1963, Historical Drama. The group will also enter the Intercollegiate Drama Festival in May.

It provides its members the means for development of initiative and leadership in the community and on the campus.

The Club is dedicated to the spirit of service on both the campus and the community and is ready to assist anyone desiring its services.

The past year the Circle K Club maintained an information booth and guide service during freshman orientation, handled the parking and ushering at the President's Open House, and assisted the United Fund in its annual fund raising campaign. MORRIS HARVEY COLLEGE BAND

When Morris Harvey moved to Charleston the band was organized informally under the direction of Mr. Bob Williams to play at football games. In 1947 Mr. John Kline was employed to develop a band program. At this time the Band received formal recognition and became affiliated with the College Music Department.

Directors of the Band have been: Mr. Alfred K. Miller, Mr. John W. Crawford, Mr. Donald Banschbach, and Mr. Charles Colbert who assumed the position in September, 1960.

The Band organization includes a full concert band, stage band, pep band, brass ensemble and woodwind ensemble. This year its members performed at concerts, pep rallies, college social events, and at the Civitan's Pancake Festival.

Members went on a spring tour March 25-28 through several states.

Outstanding bandsmen are named to Kappa Kappa Psi honorary, while outstanding bandswomen receive membership in Tau Beta Sigma.

HARVEYANS

The Harveyans is the name given to the stage band. Its 16 members and vocalist, Miss Karen Brown, performed at the 75th Anniversary Homecoming Diamond Jubilee Ball, Variety Show, Centennial Beauty Pageant, receptions, anniversary celebrations, Club 75 and Monte Carlo.

Under the direction of Mr. Charles Colbert, the Harveyans have been organized since September, 1960. The group is recognized as a valuable asset for Morris Harvey social events.

The Delta Nu chapter of Kappa Kappa Psi was established at Morris Harvey in January, 1962.

Kappa Kappa Psi, a national honorary band fraternity, strives to promote the college band and to create a respect for its activities and achievements.

Students gaining membership in this organization have to be an active member of the Morris Harvey Band. Mr. Charles Colbert and Mr. John Boland are faculty members and advisors.

INTERFRATERNITY COUNCIL

The Interfraternity Council was established here in the fall semester of 1962 with the cooperation of the three fraternities—Alpha Sigma Phi, Tau Kappa Epsilon, and Theta Xi—and the assistance of Dr. Frank Krebs. What is now the I.F.C. was the fraternity segment of the Greek Government Association.

Purposes of the Council include promoting scholarship, leadership, good will, loyalty toward the Alma Mater, acting as a governing body, keeping moral standards, and acting as a liaison between the college and fraternities.

During the year the I.F.C. accomplished many worthwhile projects and activities such as fraternity coat-of-arms placed in the Eagloo, Greek coverage in *The Comet*, delegation to the National Interfraternity Conference Convention, I.F.C. spring rush smoker, fraternity day on April 7, I.F.C.-Panhellenic Dance, and awards of scholarship and social service.

PANHELLENIC COUNCIL

The Morris Harvey College Panhellenic Council was established on campus in June, 1962. The Panhellenic and Interfraternity Council replaced the Greek Government Association. The main purpose of Panhellenic is to serve as a governing body for the three sororities. Another aim of Panhellenic is to acquaint freshman women with the sororities and to point out to them the purpose and advantages of joining a Greek letter organization.

Panhellenic's first project for the school year was the publishing of an information booklet "Meet the Sororities" which was distributed to freshman girls during registration. This booklet contained information about each sorority and the new rush rules, which were set up by the Council. Panhellenic sponsored a mix in September and a food drive at Christmas time to help needy families. In February the Council sponsored a tea for all girls interested in spring rushing. In May, the IFC and Pan-Hell together sponsored a spring dance for all Greeks.

It is a charter member of the National Interfraternity Council and has sixty-one active chapters. "The Tomahawk," the fraternity magazine, is the oldest fraternity publication.

The purposes of Alpha Sigma Phi are to foster education, to maintain charity, and to promote patriotism. Other incidental objectives are to encourage culture and high scholarship, to assist in the building of character, to promote college loyalties, to perpetuate friendships, and to cement social ties within the fraternity membership.

OFFICERS OF TAU KAPPA EPSILON

The Theta Omega Chapter of Tau Kappa Epsilon was established on the Morris Harvey campus on May 5, 1962.

Tau Kappa Epsilon is one of the largest national fraternities, establishing chapters at 190 outstanding colleges and universities from coast to coast. The first TEKE chapter was founded at Illinois Wesleyan University on January 12, 1899, as a new kind of fraternity in which the men would be chosen "not for wealth, rank, or honor, but for personal worth and character."

TEKEs, as fraters of Tau Kappa Epsilon are commonly called, have as their main objective to unite young men from various localities, to instill a feeling of campus fellowship, to promote the interest of the college and to open doors of social activity that might otherwise be closed. It is the fraternity's policy that every TEKE engage in some beneficial campus extra-curricular activity so that he may benefit his college, his fraternity, and himself.

The Morris Harvey TEKEs sponsor many outstanding activities during the school year, including: the "Playboy Party," the "Turkey Hop," Christmas Formal, the "Bunny Hop," and the Spring Formal. Another service that the fraternity renders the community is giving the Davis Child Shelter a spring house cleaning. The fraternity also presents each year the George King Award to the outstanding basketball player on the Morris Harvey squad.

THETA XI

Theta Xi fraternity was founded at Rennselaer Polytechnical Institute in 1864 as an engineering fraternity. At the turn of the century it was changed into a social organization.

The Kappa Zeta chapter of Theta Xi fraternity was founded on the Morris Harvey campus on April 28, 1947, as the Gamma chapter of Kappa Sigma Kappa fraternity. But the fraternity tradition starts back with Morris Harvey's oldest Greek letter organization — Zeta Kappa.

With the combined heritage of four decades of fraternal living and Theta Xi national fraternity, the brothers will continue to uphold the tradition of providing fraternity life for its members in all phases of student and faculty activity.

This year the Rogue Scholars of Theta Xi returned to the campus of Morris Harvey seeking the meaning of life. Headlining the group was Thornton (Kak) Ridinger, president, and Tom Marchio, vice president. Student leaders consisted of Tom Kinder, Don Flanagan, Paul Ewing, Dave Morton, Paul Demitrow and others. High honors were given to brothers Ridinger, Kinder, McClanahan, and Hughes when they received membership in "Who's Who Among Students in American Universities and Colleges."

Mr. Jim Cottrell
Copy Editor, Harveyan
Morris Harvey College
Charleston 1, W. Va.

Dear Jim Cottrell:

Thank you for your letter and the photographs of the lovely young ladies vying for the title of "Miss Harveyan."

The choice was a difficult one to make as all possess individual qualities of attractiveness. However, my final choice was marked #5.

My congratulations to all and my very best wishes for a successful HARVEYAN issue.

Sincerely yours,

George Maharis
GEORGE MAHARIS

GM:hm

This year's HARVEYAN staff has decided to renew the tradition of having a "Miss Harveyan" which was discontinued in the early 1950's.

The three social fraternities and the two men's residence halls were asked to choose a girl whom they felt had the well-rounded qualities of poise, beauty, and scholarship needed for an outstanding co-ed.

Rather than taking the difficult task of selecting one of the five young ladies to hold this title, we sent their photographs to George Maharis, one of Hollywood's top stars.

From the photographs of the candidates, Judith Hirsh, Connie Barnett, Joan Wiggins, Betty Williams, and Patricia Morton, George Maharis selected Connie Barnett to be Miss Harveyan of 1963.

VARSITY

With two starters returning, Morris Harvey's varsity basketball team started off the season with a big win over Marshall University and went on through elating wins and disappointing defeats to a third place WVIAC finish and a 20-10 record.

In a bid to regain their tournament title, the cagers were defeated by W. Va. Tech and finished third.

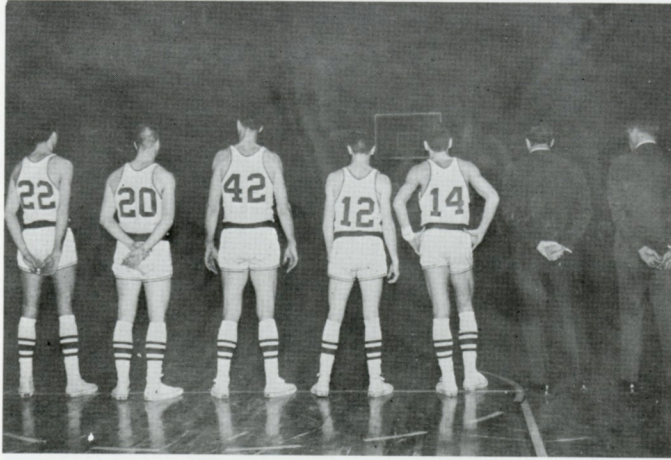

Earlier in the year, Morris Harvey, along with Marshall, Miami of Ohio, and Penn State universities, participated in the first Alpine Classic in Charleston.

On the season, MHC finished with 17-9 over-all record and a 15-5 conference mark. They finished with a total of 20 won, and 10 lost.

SPRING SPORTS

Coach Douglas Bumgardner, Steve Martin, Dave Gillespie, Edsel Blizzard, Ross Romary, Jerry Moore, and Bob Romano.

Baseball, tennis, and golf are the three major spring sports at Morris Harvey.

Last year, the diamond squad played a full schedule, using the Watt Powell Park annex as its home field. Sonny Moran, MHC athletic director, was team coach.

The golf team participated in regular matches with state and out-of-state teams as well as playing in the WVIAC tournament. Under the coaching of Douglas Bumgardner, the linksmen finished the year with a fine record and will have all players back for the current season.

The tennis team also turned in an excellent record in both regular and tournament competition. Many of their netters have also distinguished themselves in open tournaments both state-wide and nationally. This year's coach has not yet been named.

Preparations are also being made for a bowling team and a wrestling team. The latter team entered the state tournament last year.
